

Liberty Bell
Wheeler St. - March 3 - 1847

Dear Mrs Chapman

I received your
note & the "Liberty Bell"
only a few days since
Tuesday to yesterday
of the packet I presume
except my very best
thanks for them
and for the kindly
feeling which
while prompted
the gift -

My sister & I feel
pleasure in
contributing a little
to our mother to
the good cause
which silents
us both so much
but I fear we
shall leave little
if any thing to
her you for your

first bay as I am
inclined to think
there will be a
very general feeling
in the minds of
our usual con-
tributors that all
the time & money
~~left~~ they can spare
should be devoted
to our own, now,

affliction of ~~conqueror~~
